

Bloomfield Links Golf Clinic!

We are excited to announce we will have golf clinics at Bloomfield Links this summer. There are a total of 3 clinic days, each will last an hour in length. Each clinic will have the same curriculum as the other clinics. The goal for these clinics is to introduce juniors of all skill levels to the game of golf. We will cover rules, instruction, and some on course play!

Join us at one of our clinics! The cost is \$25 per clinic. Ages 6-9

All sign-ups are in the Old Fort Golf Shop (cash, card, or check).
